Texmedin **Kick off Meeting** Prato, April 6-7, 2009

TEXMEDIN

In the framework of TEXMEDIN project CLOTEFI is the coordinator partner of component 3:

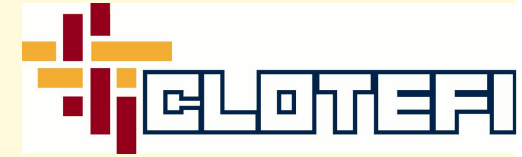

### **Integrated knowledge-base**

This component will develop the contents and ICT platform of the T&A Mediterranean know-how and creative heritage integrated knowledge-base.

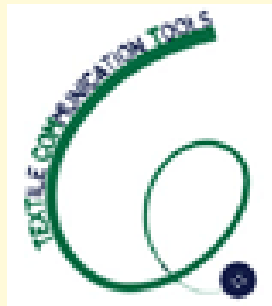

Texmedin ***Kick off Meeting*** Prato, April 6-7, 2009

# TEXMEDIN

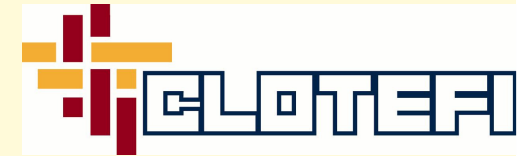

Over the last 15 years, CLOTEFI has participated in more than 60 European and national research projects, serving innovation priorities in textile products, processes, services, and organisational procedures.

Texmedin **Kick off Meeting** Prato, April 6-7, 2009

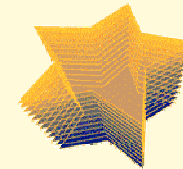

# TEXMEDIN

CLOTEFI operates in close collaboration with both public and private European Research Centres and Technological Organisations being a member in well known European networks.

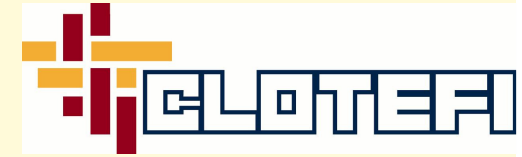

# EARTO

Texmedin **Kick off Meeting** Prato, April 6-7, 2009

# TEXMEDIN

At the centre of CLOTEFI's research activities is the development of advanced textiles and fibre products. As part of this effort, CLOTEFI is developing multi-functional protective textiles, smart textiles with embedded electronics, textiles acting as solar cells etc.

Another object of research is the development and improvement of processes used in the textiles industry.

Texmedin ***Kick off Meeting*** Prato, April 6-7, 2009

# TEXMEDIN

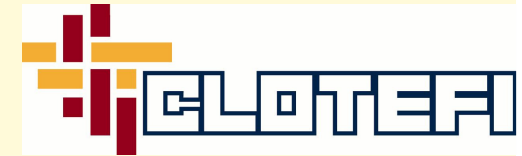

In addition to research activities associated with new products and processes development, CLOTEFI is actively supporting non technological innovation:

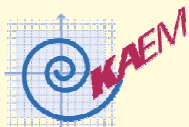

Texmedin **Kick off Meeting** Prato, April 6-7, 2009

# TEXMEDIN
